Brady Financial Group/Pioneer Golf Classic

in support of YMCA Strong Kids

Funds raised through the 9th Annual Brady Financial Group/Pioneer Golf Classic on October 5th help to build strong kids in our community. For every \$151 that is raised, a child living in difficult financial circumstances will have an opportunity to attend a YMCA program to build the character and skills they need to succeed in life.

Between 2001 and 2010, \$470,000 has been raised, helping over 3,000 children in our community. This year's results were **\$80,000** and we would like to thank our sponsors because we know that many more children will get to enjoy the benefits of a YMCA program.
